**MORE SHOWS ADDED FOR CAVALIA'S ODYSSEO – THE VALLEY'S MUST SEE EVENT**

**PHOENIX (January 16, 2013)** – Valley audiences are raving about the newest show from Cavalia which has now been extended in Scottsdale. "Wholly enchanting," says the Arizona Republic. "Pure joy that will leave you smiling," exclaims KPHO-TV. KTVK-TV adds that *Cavalía's Odyssey* is "magical, spiritual, beautiful!" *Cavalía's Odyssey*, the equestrian and acrobatic spectacular has been so popular that 5 new shows have been added through February 3.

Created by Normand Latourelle, one of the founders of Cirque du Soleil, the first Cavalia production set Phoenix audiences on the edge of their seats in 2005 and 2009. This all-new show called *Cavalía's Odyssey* is set under the world's largest touring big top – a 10-story giant tent bigger than a football field. Inside 56 horses and 43 acrobats, riders and musicians perform a theatrical ode to horse and man in front of a video backdrop the size of 3 IMAX screens. For the finale, the stage floods with 80,000 gallons of water where the horses and acrobats play.

New performances added include: Tuesday, January 29 at 7:30 p.m.; Wednesday, January 30 at 7:30 p.m.; Saturday, February 2 at 2:00 p.m. and 8:00 p.m.; and Sunday, February 3 at 2:00 p.m. Ticket prices range from \$29.50-\$149.50. Tickets are available at [www.cavalia.net](http://www.cavalia.net) or by calling 1-866-999-8111.

**ABOUT CAVALIA INC:**

Headquartered in Montreal, Quebec, Cavalia Inc. operates two separate touring shows, *Cavalía* and *Odysseo*, both of which marry the equestrian arts, stage arts and high-tech theatrical effects at never-before-seen levels. *Cavalía*, seen by some 3.5 million people across North America and Europe since its 2003 debut, celebrates the relationship between humans and horses by loosely recounting the evolution of this bond. *Odysseo*, which premiered in autumn 2011, takes the next step, leading viewers on a journey through some of the breathtaking landscapes horses have helped humans discover around the globe.
